Partial List of References on Soy Beans and Soy Bean Products

- The Soya Bean and Its Products. Amer. Jour. Pharm. 68: 309, (1896).
- Soy Bean Products. A. D. Combe. Bu. Soc. Sc. d'Hyg. Alim. 5: 184, (1917).
- Soy Bean as a Food. V. Ducceschi. Chem. Cent. 2: 115, (1928).
- Le Soya e l'Alimentazione nazionale. V. Ducceschi. (Milan) 1928.
- Nutritive Value of the Soy Bean. Daniels and Nichols. Jour. Biol. Chem. 32: 91, (1917).
- The Use of Soy Beans as Food. Osborne and Mendel. Jour. Biol. Chem. 32: 369, (1917).
- Carbohydrates and Enzymes of Soy Beans. Street and Bailey. Jour. Ind. & Eng. Chem. 7: 853, (1915).
- Soy Bean Bread, etc. Bak. Rev., p. 49, May, 1931.
- Soyex. Food Manufacture. Nov. 1931, p. 334.
- Soy Bean Cake as a Food. Izume, Yoshimura and Komatsubara. Jour. Agri. Chem. Soc. (Japan) 7: 37, (1931).
- The Soy Bean. Jour. Board of Agri. Published by Board of Agriculture and Fisheries, 4 Whitehall Place, London, S. W.
- The Soy Bean and Its By-Products. Fr. Moncamp. Landw. Vers. Stat. 73: 241-284, (1910).
- The Soya Bean of Manchuria. Norman Shaw. Chinese Imperial Customs, Special Serial \$31.
- Soya Beans in Baking. J. C. Friedrich. Centralbl. f. Bäcker-u-Conditorei 26: 627, (1914); Z. Ges. Getreidew. 1: 22, (1915).
- Soy Bean and Its Uses. G. Turner. Milling, Dec. 17, 1927, p. 695.
- The Soya Bean. The Miller. January 9, 1928.
- Mung Bean, Nutritive Value of. Ernest Tso. Proc. Soc. Exp. Biol. & Med. 24 (3): 1910, (1926).
- Soy Beans, Treatment of. Laszlo Berczeller of Budapest. U. S. Patent Office 1,509,076. Sept. 16, 1924.
- Soy Beans, Botany and Chemistry. Riede and Rewald. Landw. Ver. Stat. 110: 291, (1930).

- Soy Beans. S. Ohtomo. Rep. Lab. S. Manchuria Railway. 1929. p. 15.
- Soyolk (The Soya Bean Flour Manufacture Co., Ltd.). Jour. Inst. Hyg. Jan. 1929, p. 15.
- The Soy Bean as a Human Food. A. A. Horvath. Chinese Government, Bur. Economic Information, Booklet Series No. 13, Peking, 1926.
- The Soy-Bean Industry in the United States. Bur. Plant Industry, Dept. of Agriculture Yearbook, 101-111 (1907); Chem. Abstracts 12: 1802, (1918); by Morse, W. J.
- Soya Beans - Utilization. R. O. Neumann. Arch. f. Hyg. 99: 1 (1928).
Through Zt. ges. Mühlenw. March (1929) p. 216.
- Soy Beans. M. P. Neumann. Archiv. f. Hyg. 99: 1, (1928).
- The Soy Bean and Its Utilization by the Body. R. O. Neumann. Arch. f. Hyg. 99: 1, (1928); Abs. Z. U. Lebens 57: 102, (1929).
- Japan Soya Bean Industry. Woch. f. Brau. 30: 549-559, (1913).
- Use of Soy Beans. H. Prinz. Ber. Senckenbergische Naturforsch. Ges. (Natur. et. Mus.) 59 (12): 618, (1929).
- Soya Bean as a diabetic food. LeGoff. Gaz. des Hopit. No. 27, March 7, 1911.
- Soy Beans as Food. Osborne and Mendel. Jour. Biol. Chem. 32: 369, (1917).
- Food Products from Soy Beans. H. M. Loomis. Amer. Food Jour. 9: 472, (1914).
- Le Soya. Li Yu Ying. Paris. 1912.
- Soya Bean. Henry Trimble. Amer. Jour. Pharm. 68: 309, (1896).
- Japan Soy-bean Industry. G. Kita. Woch. f. Brau. 30: 559, (1913).
- Die Soya. Maurice Fürstenberg. Berlin. 1917.
- The Soybean. Piper and Morse.
- The Soy-Bean Industry in the United States. A. A. Horvath. Jour. Chem. Education, vol. 10, No. 1, p. 5, January, 1933.
- Soy Bean (Vegetable) Milk in Infant Feeding. Fred R. Rittinger, and Leon H. Dembo. Amer. Jour. Diseases of Children, vol. 44, pp. 1221-1238, December, 1932.
- Soya Flour as a National Food. A. A. Horvath. Scientific Monthly, vol. 33, pp. 251-260, September, 1931.
